Office of the President  
Post Office Box 622  
Anderson, SC 29622

***“Working for a Better Tomorrow”***

July 18, 2019

Greetings to All My Colleagues!

Welcome to the South Carolina Morticians Association, Inc. website.

As your president, I greet you with excitement and I thank you for electing me to serve for the coming year. For the past few years we have seen our association loose members through several reasons, some that we had no control over, i.e. death, but others we did. My goal as your new president is to bring back some of the things that made us good, and to add some things that hopefully will make us great again.

Little things first:

- a) The newsletter – 1<sup>st</sup> edition coming soon that will be distributed to current members, past members and potentially new members
- b) New dues structure – contact your District Governor
- c) Regular meetings with an agenda that covers the concerns of our members
- d) December Conference – Seminars that will be meaningful and informative
- e) Annual Convention – Myrtle Beach, SC – in cooperation with the Sixth District we hope to bring you one of the best conventions that you have seen in a long time
- f) Presence on Social Media including Facebook and Twitter

As we move forward, please free to contact me with suggestions on how we can make this a better association.

Again, I thank you for allowing me to serve, and I ask for your support and cooperation as we move forward.

Sincerely,

*Gloria Walker Vessels*
