October 7, 2019

Greetings!

As the President of this great association I invite you to attend our 95th Annual Convention at the Hilton Myrtle Beach, Myrtle Beach, SC from May 11 – 13, 2020.

We are planning some great events this year including our welcoming reception on Monday night, the Awards Luncheon on Tuesday and an evening of elegance on Wednesday. The Education and Program Committees are working together to bring some thought-provoking presentations that will be of interest to everyone and as always, we will convene to discuss the business of our association.

As you know Myrtle Beach is known for its great beaches, great weather, great seafood and we strive to make it known as the city where the South Carolina Morticians Association, Inc. host great conventions. Also, come early or extend your stay so that you and your family may enjoy the beach

Looking forward to seeing in Myrtle Beach.

Sincerely,

Gloria Walker Vessels
